QUEENSWARE IN THE CITY

DESCRIPTION AT STREET

T. J. MONAHAN'S, NO. 44 SOUTH MARKET STREET.

No inhabitant of a civilized land would A dashing Washington widow, who has complain because a friend borrowed his umbrella and kept it. That is done in the best lar and gallant physicin, tourd herself society. But when a man walks round denly deserted. Her E-culspins aged about you, eyes you furtively, points at you was completely enthralled by a beauty of to other persons and finally, having intre- and on Christman morning the wedding to due-of timeelf with a remark about the place with all due pomp. Wormwood weather, makes you a bid for your umbrella, the widow ! She swallowed it leavely, on feel a little unessy. Such was the post steamer that plies between Lastic and Strate | pair, The conversation turned upon Christ reer. He bad taken up a seat near the con-mans, and by-and-by the capitaln, who had "All my wonding presents were sent been looking westfully at him, came up in an before Corretness so on Christmas more insinuating way and asked him what he had not a single gut "Ab my deer would take for his amprells. Yoney seemed no object to long as the umbrells changed takes. Before the passenger could be some seriously nuwell, it was explained to him what his umbrells was wanted for.

Is cruel, too in due, said the bridger repositionly. Before the neity higher some seriously nuwell, it was explained to him what his umbrells was wanted for. There must said the captain, be something should be more than satisfied, for you k used to behave itself. Covert observation of arranged her deancres, and bowed her as the umbrella had shown the captain that in stately security. Dr. X. and his be ts every movement was responded to never returned her call, by the needle; and, in short, what would the passenger take for his umbreila? The cause of all this trouble and bewilderment has been forwarded to Sir William Thompon, the electricism, and he is dissecting it to ships' compasses in this way, they will in tu-

are have to give each other a wide berth. Hamorous Etephants.

A young friend saked me once to show im some elephants in undress, and 1 took him along with me, baving first borrowed an "I'm sure I don't know. He may have lead him along with me, having first borrowed an apron and filled it with oranges. This he was to carry while accompanying, me in the dear.

cable, but the moment we reached the door mable, but the moment we reached the door the herd set up such a trumpeting—they had exemted the trust—that he dropped the apron-and its contents and scuttled oil like a source raibit. There were eight elephants, and raibit. There were eight repusars when I is kel up the oranges I found I had

one to each; when I got to the extremity of the narrow statle I turned and was about to egin the distribution sgain, when I suddensy reflected that if elephant No. 7 in the row as the give two oranges to encression to No 5, he might imagine he was being chested, and give me a smark with his prononce—that is where the elephant fall-sport of the human being—so I went to the

door and began de novo as before.

Thrice I went along the last, and then was in a fix. I ted one o angelett, and I had to get back to the door. Every elephant n the herd had his greedy gaze focussed on that orange. It was as much as my life was worth to give it up to any one of them. What was I to do ! I held it up consponcasty, cooly peeled it, and sucked it myself t was most amusing to notice the way those lephants nudged each other and shook their They thoroughly entered ponderous sides.

nto the humor of the thing, An English exchange records a remarks ble case of suspended animation. A girl named Newell apparently died and was faced in a coffin. Just before the hour fixed or the funeral she gave signs of recovery, and a physician being summined she was re-turned to consciousness and ultimately to realth. Sha had a very narrow escape from

A singular incident occurred last week at a tashb nable marriage in Washington. The groom drop, ed the ring, which rolled away and was not found until after a long search. After the marriage and when the newly wed ded pair were about taking the train the ring was again lost and stayed lost for several pr. Coage, president of J Herson college hours.
